

4MSI Invitation for Seminar

Introduction to draft documents posted to 4MSI Website

Date: Thursday 5th November 2020

Time: 10:00 to 13:00 CET (09:00 to 12:00 UK)

Seminar

Within the 4 Member State Initiative (4MSI) Denmark, France, Germany, The Netherlands and UK are working together to harmonize requirements for products in contact with drinking water. The 4MSI have published Common Approaches for different materials. Recently draft documents for the common approach for testing requirements of products made of organic materials and a common approach on certification and approval were published. The 4MSI is seeking feedback on these draft documents. This seminar is intended to provide information about these two documents.

Agenda

- 10:00 Welcome
- 10:05 Introduction to the meeting
- 10:20 Elaboration of the draft Common Approach on Organic Materials part C
- 11:05 Short break
- 11:15 Elaboration of the draft Common Approach on Certification and Approval
- 12:00 Question and Answer Session
- 13:00 Close

Meeting Etiquette

Guests will be kindly asked to have microphones on mute and video turned off.

Speakers will have the floor for their allocated session.

Question and answer session – questions can be raised through MS Teams chat functionality throughout the seminar. Questions will be posed during the question and answer session by the host. The floor will be open to all 4MSI members for response.

Registration

Applications received in advance of the meeting to DWI please email dwi.enquiries@defra.gov.uk with name and email address of person(s) attending

Estimated two persons per organisation

Details for joining the seminar will be sent out prior to meeting. These details cannot be shared, if an attendee cannot attend then contact DWI with the details of another representative who will attend.

Intended Audience

Manufacturers, Certification bodies, test laboratories, water companies/operators, regulators and commission.
