and in-person meeting by special invitation only:

Event Space B-Part am Gleisdreieck, Luckenwalder Str. 6b, 10963 Berlin

Wed., 29. September 2021 at 09:15 to Thur., 30. September 2021 at 18:30 CEST

Invitation for Registration

Dear speakers, panelists and participants!

We are really pleased that you would like to participate in the 2 days of **hybrid conference via Zoom** organised by the German Environment Agency with the Municipal Solid Waste Initiative of the CCAC [Climate & Clean Air Coalition | \(ccacoalition.org\)](https://www.ccacoalition.org).

Participation is free, so **please also distribute this conference and registration information within your organisation and networks!**

Conference language is English, except for the Latin and Central America Forum, which is held in Spanish.

You are kindly requested to register in advance to this conference!

Registration language can be changed on the bottom of Zoom's registration pop-up field (lower right button on dark background).

Please inform about your organization's address and your attendance days by replying to the last question with either Day 1, Day 2 or both days.

Please kindly use the following link to register:

https://us02web.zoom.us/meeting/register/tZcvd--trj4oGNyH07htKbQSycCTM_onx2www

After registering you will receive a confirmation email referring to the conference start. With the link provided **joining/launching the meeting is possible during the entire conference duration (29.+30.9) any time.**

Please note for the participation in this hybrid conference:

- (1) With your registration you declared that you have received and read the information on the processing of your personal data in accordance with Articles 13 and 14 of the European General Data Protection Regulation (GDPR).
For information please refer to the pdf „Data Protection Rules“ attached and available on <https://www.umweltbundesamt.de/en/service/dates/the-challenge-combating-global-warming-waste-sector-0>
- (2) Part of the event might be recorded for documentation and made available publicly after the conference. Immediately before recording, we indicate the beginning of the recording. As a participant you are not visible and cannot be heard. In case of recordings, communication of participants with the panel is restricted to the chat.
- (3) Conference information are and will be published on <https://www.umweltbundesamt.de/en/service/dates/the-challenge-combating-global-warming-waste-sector-0>
