

Programme

"Decarbonisation - 100 % Renewable Energy and more

Transformation pathways to a greenhouse gas neutral and resource efficient society"

WHEN? Tuesday, 17 October 2017, 09:30 – 17:15

WHERE? Tagungswerk Jerusalemkirche, Lindenstraße 85, 10969 Berlin

Timing	Workshop session
09:00 – 09:30	Registration
09:30 – 09:45	Opening and welcome Dr. Harry Lehmann, Head of Division I "Environmental Planning and Sustainability Strategies", German Environment Agency
09:45 – 10:15	Key note "A Systemic view of the nexus of energy, resources and climate change" Presenter: Prof. Harald Ulrik Sverdrup, University of Iceland
10:15 – 12:00	Session 1: Introduction to ""GREEN"" Germany – resource efficient and greenhouse gas neutral": Resource efficiency as an indispensable element of future climate policy <i>Moderator: Martin Hirschnitz-Garbers, Ecologic Institute</i> "Introduction to and interim findings of ""GREEN"" Germany – resource efficient and greenhouse gas neutral"" Presenter: German Environment Agency "Commentaries on the RTD project" Prof. Michael Sterner, OTH Regensburg Prof. Dr. Florian Kapmeier, Reutlingen University "Summary" Dr. Harry Lehmann, German Environment Agency
12:00 – 13:15	<i>Lunch Break</i>

13:15 –15:00	<p>Session 2: “Buildings and Constructions” <i>Moderator: Martin Hirschnitz-Garbers, Ecologic Institute</i></p> <p>Key note: “Core services of the building sector, its resource requirements and its impacts” Presenter: Prof. Dr. Lamia Messari-Becker (Siegen University/Member of German Advisory Council on the Environment SRU)</p> <p>“Potentials in spatial and urban planning regarding resource requirements for the constructed environment” Presenter: Prof. Dr. Clemens Deilmann (IÖR Dresden)</p> <p>“Potentials of sustainable construction” Presenter: Johannes Kreißig (CEO DGNB GmbH)</p>
15:00 – 15:30	<p><i>Coffee Break</i></p>
15:30 – 17:00	<p>Session 3: Panel Discussion “Transformation pathways to a greenhouse gas neutral and resource efficient society “ <i>Moderator: Matthias Duwe, Ecologic Institute</i></p> <p>Panelists Dr. Monika Dittrich (ifeu) Gertrude Penn-Bressel (German Environment Agency) Dr. Maja Göpel (German Advisory Council on Global Change) Kai Neumann (Consideo GmbH)</p>
17:00	<p>Summary of results and closing Dr. Harry Lehmann, German Environment Agency</p>

This event is organised by Ecologic Institute on behalf of the Umweltbundesamt.
