

Europäische Mobilitätswoche Chemnitz

Special target group
children and young people

CHEMNITZ
KULTURHAUPTSTADT
EUROPAS 2025

Programme with special offers

- Within a variety of programme parts especially designed workshops for children and young people
- Different institutions, associations and partners are asked for offers
- Definition of mobility is broadly defined

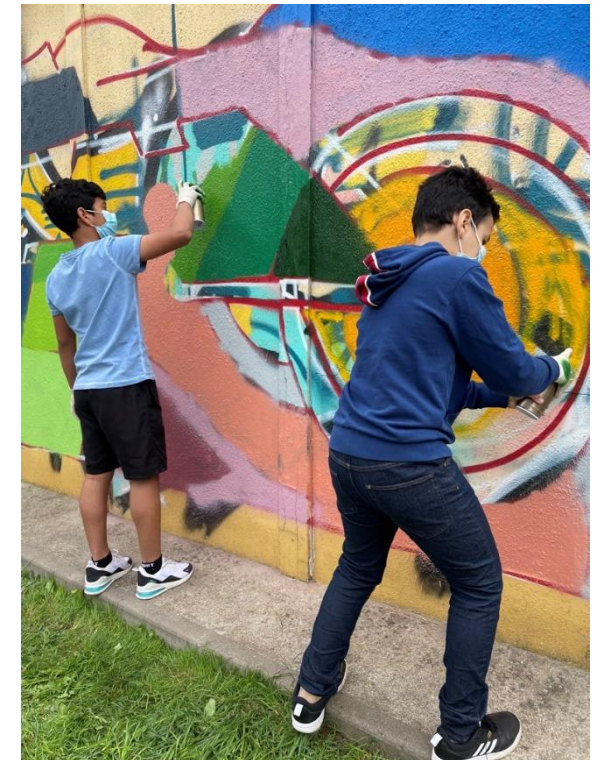

Main action day: „Mobi-Tag“

- One focus on young people
- Sensitising on mobility-impaired issues
- Improving road safety

NUMIC: Parklet & Graffiti workshop

Young people in cities

- For a long time especially initiated workshops for Kindergarten groups and school classes
- Activities do reach not only young people but also their educators, parents and grandparents
- Young people will be the ones who should use sustainable mobility in the future
