

Percentage of water bodies in transitional and coastal waters in at least good status

* Annual data refer to the year of reporting to the EU. For the reporting year 2010, data were collected until 2008. For the reporting year 2015, data were collected in the years 2009 to 2014. For the reporting year 2021, data were collected in the years 2014 to 2019.

Due to an improved data situation and changed threshold values for the evaluation, the annual values are only
