# “Waste and Climate Change” Workshop

---

**November 7, 2012**

**Venue:** Senate Lounge at “The Claridges”, Aurangzeb Road, New Delhi-110 011, India  
**Telephone:** + 91 11 41335133, **Fax:** + 91 11 23792388, **www.claridges.com**

**Agenda:**

- 9 a.m.**                      **Registration**
- 9:20 a.m.**                      **Welcome Address by Dieter Mutz (Gesellschaft fuer internationale Zusammenarbeit/GIZ)**
- 9:40 a.m.**                      **“Waste to Energy study” - introductory presentation by Volker Weiss (Federal Environment Agency/ UBA)**
- 10:00 a.m.**                      **“Contribution of Waste Management to GHG mitigation in Germany and EU” Presentation by Marlene Sieck (UBA)**  
Focusing on the methodology of lifecycle balancing as the UBA approach to waste accounting, the presentation draws on the co-benefits deriving from a diversion from landfill to the implementation of waste management.
- 10:30 a.m.**                      **Coffee/Tea-Break**
- 10:45 a.m.**                      **„MSW Management in India – First Results“ Presentation by Regine Vogt (Institute for Energy and Environmental Research/IFEU)**  
The presentation gives an overview on constraints in waste disposal. Special attention is paid to waste-GHG-balancing and the projection of future scenarios based thereupon.
- 11:15 a.m.**                      **Discussion Panel “2030: Future Development of MSW Management”**  
Discussion of future scenarios regarding India’s waste situation in 2030. What are the main challenges for the upcoming years. Reviewing the latest developments in the waste sector we will turn our focus to the challenges that are to be met in the future, the problems to tackle and promising ways to go for. The Panel will consist of officials from relevant ministries, representatives of involved sectors, such as scientific Institutes, the business sector and cornerstone NGO’s.
- 12:45 p.m.**                      **Lunch**
- 2:00 p.m.**                      **Introduction: “Information on the Aid-to-Decision-Making(ADM) Tool”**  
Showcasing of a tool that intends to ease decision making by giving fast access to relevant data under different treatment-options,
- 2:20 p.m.**                      **“How to use the ADM Tool?” Presentation by Pravinjith K P./IFEU**  
Presentation on the usability of the Tool.
- 2:40 p.m.**                      **Coffee/Tea-Break**
- 3:00 p.m.**                      **“Working with the ADM Tool” training by IFEU**  
Hands-on session, ADM-tool utilization with real data
- 4:30 p.m.**                      **Conclusion**
