

## Session 4:

# Growing sustainable chemistry through the supply chain (part 2): sector-specific challenges

- **Building Break-out Group (BOG)**  
Tess Fennelly Moderator

## Growing sustainable chemistry through the supply chain (part 2): Building sector-specific challenges

- **FROM YOUR SUPPLY CHAIN POSITION PERSPECTIVES ARE THERE SPECIFIC INHIBITORS THAT ARE CAUSING THE GREATEST BOTTLENECK IN THE ADOPTION OF GREEN CHEMISTRY?**
- **ARE THERE EXAMPLES YOU CAN SHARE OF ACCELERATORS AND COLLABORATIVE MODELS THAT HAVE WORKED TO SPEED ADOPTION OF GREEN CHEMISTRY AT YOUR COMPANY OR INDUSTRY?**
- **ARE THERE WAYS THE INTERNATIONAL COMMUNITY CAN EFFECTIVELY STRENGTHEN THE APPLICATION OF GREEN CHEMISTRY IN THE BUILDING SECTOR? (SHARED LEARNINGS, VISION, INSTITUTIONS, PURCHASING PROGRAMS, CONSORTIA, OTHERS? )**

# General Building & Construction Supply Chain
