Dear ICP Modelling and Mapping member / friend,

It is a pleasure for me to invite you to register to our 2021 Task Force meeting which will be held online during three afternoons on Tuesday 20th, Wednesday 21st and 22nd of April.

Please save the date and fill in the registration form that you have been sent by e-mail with the early agenda and email it back to our assistant Caroline (Caroline.Gourland@ineris.fr) as soon as possible, before 29th March if you wish to give a presentation, and no later than the 12th April in any case.

As usual, presentations on national activities are very welcome so as any others dealing with the scientific issues of our concern (see the early version of the agenda).

We are looking forward to your participation.
